MetroWest CC Needs Volunteers!

From Mark Kaprielian, President

There is always a need for Volunteers... The Club is run as a volunteer organization with no paid positions. It is the responsibility of the Club members to support and assist in the running of the Club. While the membership does elect a board of directors to guide the policies of the organization, the board of directors must rely upon the membership to carry out the week to week tasks necessary for the club to function.

If you are interested in becoming a TD (Tournament Director) we will train you, though there is work you'll have to do on your own to become certified.

If you can arrive early you can assist us with setting up or spending time at the registration desk.

There are many ways, both great and small in which you can help the club.

For an overview of these ways, please visit the Volunteer page on the web site.

Please contact me if you would like to discuss how you may be able to help the club by volunteering.
