

Number of Events played Per Year by Adults and Kids

06-10-06

The data on this page corresponds to the events shown in the Event Attendance reports.

From the data shown, you may decide for yourself what the active pool of players is. Because the counts are based on USCF ID numbers, there is no overlap of players. The 1991 US Open is excluded as it is not a usual area event.

	<u>Players</u>	<u>Events</u>				
1995	237	1			963	Different players for the events in this year
