June 2005 **News Flash!** - #1

**2005
Summer
Scholastics
Program**

This news is Late but it's still Great !

Our 6th year of offering rated chess for kids during the summer months is about to begin.

This year the program will run for six weeks on **Thursday** (not Tuesday) nights starting on June 30th and ending August 4th.

This is a great opportunity to get kids introduced to rated chess.

For details go to the Scholastic section on the club site. There are several links on the club home page to take you there.
