## **MetroWest Chess Club Cancels Remainder of March Event. April Tournament Also Canceled**

In accordance with widespread recommendations and practice to mitigate the spread of COVID-19 we have decided to cancel the remainder of the March "Vernal Equinox Swiss" tournament. We are also canceling next month's "April Fools Swiss" event.

It is important to note that this is a precautionary measure. We have no reason to believe anyone at the club has been exposed to the coronavirus.

The March tournament will not award any prizes or Championship Points; however, all played games will be submitted to US Chess for rating. Likewise any FIDE rateable games will also be submitted for rating.

All players entered in the March tournament will receive credit for a free entry for a future MCC event.

Stay healthy and safe! We hope to return in May.
