## News & Reminders; Chess.com Club Group; Social Media Accounts

The Club has a [group on Chess.com](#). Please join if you have an account! If you don't have one, it is free to sign up for a basic account. See [Chess.com/register](#). At this time we are undecided on exactly how we will use this group, but possibilities include hosting online tournaments. At the very least, it's a good place to keep connected. Stay tuned!

If you didn't know already, we also have accounts on [Twitter](#), and a page on [Facebook](#). Follow us there also to keep apprised of club operations.

## New Scoresheets

When we do return to over-the-board play we will have customized scoresheets to use! Thanks to Mark Kaprielian for designing and ordering them.
