MetroWest Chess club celebrates 20 years

Friday, July 25, 2003

MetroWest Chess Club will celebrate its 20-year anniversary with an exhibition event starting at 7 p.m. on July 29 at the Kennedy Senior Center in Natick.

The main event will be a chess simultaneous exhibition by International Master (elect) Igor Foygel, who placed 23rd in the 2003 U.S. Chess Open. Mr. Foygel will play up to 20 MetroWest Chess Club members at the same time. There will also be a fun speed chess event for MetroWest Chess Club members, as well as speakers who will share stories about the beginning of the Club.

MetroWest Chess Club was founded on May 3, 1983 under the name Framingham Chess Club, and hosted events at the Legion hall on Beech St in Framingham for over 10 years. The Club quickly gained a reputation for being innovative, and delivering well-organized chess events.

The Club later moved to Natick and continued to grow. The club is now the largest chess club in New England, and is one of the most active chess clubs in the country. The club was awarded "Club of the Year for 2002" by the United States Chess Federation.
