

MCC Move to New Site Going Well

The MetroWest Chess Club move to our new site at St. Paul's Episcopal Church in Natick Center, (39 E Central St.) is going very well. Our first night last Tuesday went off with only a couple of minor hitches, mostly not noticeable to our players. We started the round only 10 minutes late, but had lots of time after most games finished for post-mortem analysis. Time which was sorely lacking at the old site. As you can see, the new playing room has lots of space and light.

If you were waiting to see how the move went before playing, wait no more!

As usual, players entering tonight (5/14/2019) at round 2 will receive a 1/2 point bye for the missed round 1.

There are a few important points to emphasize:

- **We have switched back to our original time control of 40/90; SD/30; d5. This means games may last until 11:30 PM (or later).**
- **Parking is at the Natick public lots, or on-street, which are free after 5PM. Maps to the lots, and the route to the club entrance, are on the club website.**

Any questions can be asked by replying to this email. We will do our best to answer them as quickly as possible.
