## Reminders

Some general reminders:

- Please refrain from talking in the playing hall, or the hallways during play. The sound carries too well in the new site. Wait until you are in the skittles rooms.
- Please analyze only in the skittles rooms in the back. It disturbs other players when you analyze in the playing hall, even if quiet.
- Remember to mark the result of your game as soon as it is finished. Both players are responsible for making sure the result is posted correctly, and promptly.
- The club chess clocks are set to add the additional 30 minutes of the second time control only after one side has consumed the initial 90 minutes of time. In other words, the clocks are not counting moves and

adding 30 minutes after 40 have been played. It is up to the players to track the number of moves made with their scoresheet.

- Please continue cleaning up after yourselves when finished
