## Non-Revocable

## Bye Requests for the Last Round

Write  $\underline{\text{today's date}}$  in the column for each round you want a bye for.

| Name | Section | Today's Date | TD Initials |
|------|---------|--------------|-------------|
|      |         |              |             |
|      |         |              |             |
|      |         |              |             |
|      |         |              |             |
|      |         |              |             |
|      |         |              |             |
|      |         |              |             |
|      |         |              |             |
|      |         |              |             |
|      |         |              |             |
|      |         |              |             |
|      |         |              |             |
|      |         |              |             |
|      |         |              |             |
|      |         |              |             |
|      |         |              |             |
|      |         |              |             |
|      |         |              |             |
